We believe that Grace Lutheran School should be a place where all students feel welcomed and respected.

We believe that Grace Lutheran School should be a place where all students feel valued as individuals.

We believe that Grace Lutheran School should be a place where students feel safe.

We believe that Grace Lutheran School should be a place where students support and care for one another.

We believe that Grace Lutheran School should be a place where students exhibit honesty and integrity in their learning.

We believe that Grace Lutheran School should be a place where students set high goals for themselves and work hard to achieve them.

We want Grace Lutheran School to be a place where friendships grow.

THEREFORE, I WILL DO MY BEST TO...

... respect and accept others' differences.

... seek to include everyone in work and play.

... use God-pleasing language.

I will use words that encourage and support others.

I will avoid gossip and rumor in school and online.

I will avoid words that hurt others.

... stand up for others.

I will not stand by when I see someone is being physically or verbally bullied or hurt. They will know they are not alone.

I will help, or I will tell an adult.

... be honest and do my best in school.
