LWR requests that All items donated quilts comply with these guidelines:

- Please do not donate items with religious holiday symbols, messages or Grace's name. Religious references may be misinterpreted by the governments of the receiving countries, jeopardizing the delivery to the people who need the items most. Secular symbols such as rabbits, eggs, and poinsettias are acceptable.
- Please do not donate items decorated with a U.S. flag, patriotic or military symbols, or references to the armed forces, including camouflage. LWR has access to areas of the world others do not because they are an impartial humanitarian organization. If LWR's intentions are misinterpreted as being politically motivated, it puts LWR's work, their partners, and the people they assist at risk.
