The current feature is our large coffee table books. More information will be shared in the next Grace Notes, but you can check out the books now in the Atrium case. To check out any book, please write your name on the card in the back of the book and leave it in the card holder on the table. Books are available for a four-week checkout.

FEAST 2026

FEAST (Faith, Education, and Spirit Together) is an opportunity to gather in small groups each month to share fellowship and food, centered in scripture and prayer. It is a great way to grow your relationships with fellow Grace members and deepen your relationship with God. Groups will meet regularly, and you can gather in someone's home or perhaps a local restaurant. Meals can be elaborate or simple! There is no pressure to perform, just to be together. If you would like to participate, the sign up is on Grace Links or [click here](#). Sign up will close on February 13, so there is time to organize the groups before the kickoff event on February 27.

What's Happening: February 9 - 15

Ready to build deeper friendships and connections at Grace? Now is the perfect time to jump in! We have several groups meeting this week, and you're invited to stop by even if you've never attended before. All are welcome and no RSVP required. Come connect with your church family!

Faith Forum: Tuesday at 10 a.m. (Church Library and Zoom)

Managing Technology in Our Lives: Learning from Kierkegaard

Speaker: Pastor Ole Schenk

Technology affects many dimensions of our lives, and not always for the better. Social media activity can lead to a sense of futility about democratic politics and public discourse. The increased use of artificial intelligence may raise fears about the loss of employment in some fields. And these are just two examples. Drawing on the reflections of the Danish theologian Søren Kierkegaard, Pastor Schenk will explore how we might become better and more faithful at managing technology in our lives.

Cornerstones: Wednesday at 10 a.m. (Church Library)

Join us for fellowship followed by a discussion about the upcoming Scripture readings.

Finding Value in Forgotten Landscapes: The Case of the Calumet National Heritage Area

Speaker: Mark Bouman

In December, Sen. Todd Young (R-IN) and Rep. Robin Kelly (D-IL) introduced bi-state, bicameral, and bipartisan legislation to create a Calumet National Heritage Area. The legislation recognizes the region's unusual ecological assets, its industrial strength, its cultural heritage, and perhaps most importantly, it's national leadership in identifying and restoring often neglected sites and landscapes in this complex area at the continental crossroads neighboring the southern end of Lake Michigan. Geographer Mark Bouman has been a leader in this effort for over three decades and will review this exercise in placemaking at the regional scale.

Religion in Literature Books

The Book Loft, an independent bookstore in Oak Park at 1047 Lake Street, has offered to give Grace members a 15% discount if they purchase the books for Religion in Literature from them. David Heim sent them a list of the books on the list for the rest of the spring, and they have them in stock or, in the case of Strindberg, can order it. All you have to do to receive the discount is say you are part of the Grace Lutheran reading group.

Looking for Charity Recommendations

Grace will have a rummage sale on June 5 & 6. In the past, leftover items have been given to various charities. These donations have helped the homeless, veterans, the elderly, children, etc. If you know of a charity which would be a good recipient of leftover items, please contact Rebecca Dahlstrom at centurywanderer1@hotmail.com. Thank you!
